Morton Manus : Alfred's Basic Guitar Chord Dictionary: The Most Commonly Used Fingerings, Selected for Easy Reference (Alfred's Basic Guitar Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Alfred's Basic Guitar Chord Dictionary: The Most Commonly Used Fingerings, Selected for Easy Reference (Alfred's Basic Guitar Library):

0 of 0 people found the following review helpful. Great Chord Reference plus Chord TheoryBy Bob BAlfred' Basic Chord Dictionary 3rd Edition is a very complete listing of 36 chords in each key (Ab, A, Bb, B, C etc.), with a nice

diagram for each one, showing frets and strings, finger positions and notes being played in the chord. It includes an 8-page front section on chord theory and construction, which is interesting and informative. I especially like that it includes 6 versions of each chord, moving up the fingerboard from nut to 11th fret. Only nit-pick I have is that a few chords are not shown with all the strings one would normally play, for example the B chord shows only strings 2-5 and not the 1st string at 2nd fret that would usually be included (x2444x vs x24442). There are a few others like that. But overall, this is a Great Chord Reference book, with chord theory included. 1 of 1 people found the following review helpful. Very good chord dictionary By Stan Beall This is a very good guide for the intermediate guitar player. I keep it close by when I start playing new songs. 0 of 0 people found the following review helpful. Five Stars By Gerald Speacea lot of info

Recognized for over 50 years as the best-paced and most comprehensive guitar method available, Alfred's Basic Guitar Method has introduced over 3 million beginners to the joy of playing guitar. As part of the ABG series, Alfred's Basic Guitar Chord Dictionary provides the most commonly used chord fingerings, selected for easy reference. Finally, guitarists can quickly reference fingerings so they can continue to play their favorite songs. With this easy-to-use guide, they'll be playing like a pro in no time.
