before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alfred's Essentials of Music Theory, Bk 1: Teacher's Activity Kit:

0 of 0 people found the following review helpful. Great book!By Heather Appel-BaileyThis is a great book- very straight-forward and easy to follow. I use this in my choral classroom and in private voice and piano lessons and it really gets the job done effectively and quickly.0 of 0 people found the following review helpful. Essentials of Music Theory:By CustomerThis book is okay if you are teaching kids but I needed to learn theory and this was not really what I needed.0 of 0 people found the following review helpful. Fantastic!By ladydyThis was a great help to my son. I will purchase the next book.The book arrived sooner than expected and was a good practice backup for class assignments.

Alfred's Essentials of Music Theory is designed for students of any age, whether listeners or performers, who want to have a better understanding of the language of music. In this all-in-one theory course, you will learn the essentials of music through concise lessons, practice your music reading and writing skills in the exercises, improve your listening skills with the available ear-training CDs (sold separately), and test your knowledge with a review that completes each unit. The Teacher's Activity Kit for Volume 1 includes five reproducible activities for each of the six units in Volume 1 of the Student Books. The wide variety of activities includes Music Crossword Puzzles, Note Naming, Matching Games, Musical Math, Word Scrambles, and others for a total of 30 Activities in all. There is also one Test per Unit that covers all the theory concepts introduced in that Unit. Each reproducible page includes scoring boxes to help the instructor grade the page. The complete line of Alfred's Essentials of Music Theory includes Student Books, a Teacher's Answer Key, Ear-Training CDs, Double Bingo games, Flash Cards, Reproducible Teacher's Activity Kits, and interactive software for students and teachers in private study, studio and network environments.
