Detailed, practical, "user friendly" informationBy Midwest Book ReviewNow in an updated and expanded fifth edition, Michael Farr's America's Top White-Collar Jobs provides detailed, practical, "user friendly" information on 110 major office, management, sales, and professional jobs. All essential reference information is clearly laid out and presented for easy use by job seekers, students, counselors,

teachers, employers, and those either changing careers or who are re-entering the work force after an absence. Of special note is "The Quick Job Search" feature for identifying one's own skills, discovering new job options, writing a resume, and reducing job search time. America's Top White-Collar Jobs is a highly recommended addition to personal and professional job guidance reference shelf materials.

This is an information-packed reference with thorough descriptions of 110 of the best jobs in our economy! And it is organized in four main sections and appendices in such a way that readers can quickly find the information they need. Includes the 32-page job search section by Michael Farr that presents the seven steps that, when followed, can result in vastly shorter job search times.
