Steve Bourie : American Casino Guide 2015 edition before purchasing it in order to gage whether or not it would be worth my time, and all praised American Casino Guide 2015 edition:

0 of 0 people found the following review helpful. Good gift itemBy Terry D. MahonI acquired this to get the coupons as a gift for someone who enjoys going to Las Vegas. The coupons made the purchase worthwhile since the coupons

far exceeded the price of the book. I am pleased to recommend this to anyone who likes to visit and gamble in Nevada. 0 of 0 people found the following review helpful. Don't waste your money....By the-book-lifeI've purchased the American Casino Guide every year we've went to Vegas, which averages out to every five years or so. I only purchase it for the coupons. There are much better travel guides, if that is what you are looking for. Every year, the travel guide portion gets larger and the coupon portion gets smaller. And what coupons are present are poorer in quality than ever. I'm very disappointed in this year's book and won't be purchasing again. I think I'll stick with Las Vegas Advisor in the future. 1 of 1 people found the following review helpful. Great information!By tanjaJust got back from Vegas.I haven't been in many years,so it was something of a shock at the changes. Lucky for me, I had come upon this little gem of a book. Packed full of helpful information,tips and coupons for free and reduced items. Many buy one get one free meals, shows,and exhibits. Helpful tips on transportation. Lists not only Vegas,but every casino in the country. Definitely a must,if you're planning trip to any casino town.

The American Casino Guide provides casino-goers with money-saving, detailed information that can be helpful for both seasoned casino veterans, as well as first-time casino visitors. Anyone who is looking to learn more about gambling, or simply planning a gambling-related vacation, will find the book to be extremely helpful. The guide provides detailed information on more than 750 casino/resorts, riverboats and Indian casinos in 41 states, including room rates, buffet prices, casino games offered and any special features. The book also has maps of all casino locations, plus detailed information on the best strategies for playing the major casino games such as blackjack, craps, roulette, baccarat, slots and video poker. For extra savings, the book also contains over \$1,000 in valuable casino coupons. There are also tips on how to always get the most value for your money by taking advantage of casino promotions and slot clubs. The book also discloses the actual slot machine payback percentages for every state's casinos. And, for RV travelers, the Guide notes which casinos have RV parks and whether or not the casino will allow an RV to park overnight for free in the parking lot. A must for anyone planning a visit to a casino!
