This book will give quilters the confidence they need to use luscious fabrics in their own unique crazy quilt and then embellish it with wonderful embroidery stitches, ribbon embroidery motifs and charms. This is a wonderful reference

for anyone who enjoys needlework. There are 90 Crazy Quilt Stitches that are illustrated with how-to instructions so there are enough stitches and variations to use a new creative stitch for each seam of the patchwork. In addition there are eleven Ribbon Motifs that are wonderful for adding dimension to crazy patchwork. For each ribbon motif we've included a stitching diagram to use as a blueprint for creating beautiful ribbonwork. 68 pages
