Veritas Prep : Analytical Writing Assessment (AWA) (Veritas Prep GMAT Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Analytical Writing Assessment (AWA) (Veritas Prep GMAT Series):

1 of 1 people found the following review helpful. The book extols an effective methodology but...By MCPCProsThe book mentions an effective template for Analysis of an Issue and Analysis of Argument. There are 15 questions covering all the principal verbal content areas. The problems are relatively easy. Cons: 1. The book has the complete list of AWA essays which are easily available as pdf download at [...] I cannot comprehend the need to unnecessarily repeat the whole list, when an electronic copy exists 2. Though the methodology in the book appears to be very effective, there are only 2 sample essays in the book. I understand most of the programs don't give a serious consideration to the score but 10 - 20 samples for each section will provide the reader with a better understanding of the methodology and its effective application. Having looked at other books and online resources (free and paid), it's

hard to recommend this book. A simple Google search provides more effective templates and resources for AWA.6 of 6 people found the following review helpful. Not worth the price!By K. LeeThis study guide contains only 26 pages, out of 126 pages of the whole guide, that are related to the teaching materials of analytical writing assessment. And it shows you nothing more than what you can find on WWW. I wouldn't buy this book if I know this earlier, and at one point, I guess that the other good reviews for this guide is very specious.7 of 7 people found the following review helpful. Misleading titleBy S. ChoudharyThis books is a supplement for Veritas Course Students and is not meant to exhaustively tackle the AWA portion of GMAT. The title and description should make this clear, so that customers can make informed decision.

The GMAT test makers designed the Analytical Writing Assessment (AWA) to assess your ability to think critically and write persuasively. No other major GMAT provider has devoted as much attention to mastering this section of the test. The Veritas Prep Support Matrix and AWA Template will help you earn a top score on the AWA without exhausting your mental energy for the rest of the exam. As a bonus, this book includes the complete list of all possible AWA essay topics for the actual GMAT.
