Audrey L. Heining-Boynton, Glynis S. Cowell : Anda! Curso elemental, Volume 2 Plus MySpanishLab with eText (one semester) -- Access Card Package (2nd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Anda! Curso elemental, Volume 2 Plus MySpanishLab with eText (one semester) -- Access Card Package (2nd Edition):

1 of 2 people found the following review helpful. Awful Computer ProgramBy Karen BriggsI had to buy this book and the MySpanishLab for a college course. The book was okay, but the online program was TERRIBLE. It ran like it was made in the early 1990's and many of the links in the assignments were broken. If you are thinking of using this book in your class, do NOT ask students to waste ~\$100 on this garbage.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Designed with You in MindThe Anda! program provides practical responses to the challenges todays Spanish instructors and students encounter. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The Anda! program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach Instructors and students dont have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course.

About the Author Audrey Heining-Boynton received her Ph.D. from Michigan State University and her MA from The Ohio State University. Her career spans K-12 through graduate school teaching, most recently as Professor of Education and Spanish at The University of North Carolina at Chapel Hill. She has won many teaching awards, including the prestigious ACTFL Anthony Papalia Award for Excellence in Teacher Education, the Foreign Language Association of North Carolina (FLANC) Teacher of the Year Award, and The UNC ACCESS Award for Excellence in Working with LD and ADHD students. Dr. Heining-Boynton is a frequent presenter at national and international conferences, has published more than one hundred articles, curricula, textbooks, and manuals, and has won nearly \$4 million in grants to help create language programs in North and South Carolina. Dr. Heining-Boynton has also held many important positions: President of the American Council on the Teaching of Foreign Languages (ACTFL), President of the National Network for Early Language Learning, Vice President of Michigan Foreign Language Association, board member of the Foreign Language Association of North Carolina, committee chair for Foreign Language in the Elementary School for the American Association of Teachers of Spanish and Portuguese, and elected Executive Council member of ACTFL. She is also an appointed two-term Foreign Language Annals Editorial Board member and guest editor of the publication. Glynis Cowellis the Director of the Spanish Language Program in the Department of Romance Languages and Literatures and an Assistant Dean in the Academic Advising Program, College of Arts and Sciences, at The University of North Carolina at Chapel Hill. She has taught first-year seminars, honors courses, and numerous face-to-face and hybrid Spanish language courses. She also team-teaches a graduate course on the theories and techniques of teaching foreign languages. Dr. Cowell received her M.A. in Spanish Literature and her Ph.D. in Curriculum and Instruction, with a concentration in Foreign Language Education, from The University of North Carolina at Chapel Hill. Prior to joining the faculty at UNC-CH in August 1994, she coordinated the Spanish Language Program in the Department of Romance Studies at Duke University. She has also taught Spanish at both the high school and community college level. At UNC-CH she has received the Students Award for Excellence in Undergraduate Teaching as well as the Graduate Student Mentor Award for the Department of Romance Languages and Literatures. Dr. Cowell has directed teacher workshops on Spanish language and cultures and has presented papers and written articles on the teaching of language and literature, the transition to blended and online courses in language teaching, and teaching across the curriculum. She is the co-author of two other college textbooks.
