Robert Edenborough : Assessment Methods in Recruitment, Selection and Performance: A Manager's Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Assessment Methods in Recruitment, Selection and Performance: A Manager's Guide:

* Practical advice on assessment methods including psychometric testing and structured interviews

"This book is a typical Kogan Page publication, with a clear, spacious layout and a font size that aids reference and easier reading... It doesn't overdo the thorny area of statistics, but covers it competently with a good summary for those who shy away from the subject." Training Journal

About the Author Robert Edenborough is a leading test publisher and provider of HR business solutions. He has considerable experience designing and applying interviews in organizations as diverse as the British Ministry of Defense and a range of financial service institutions. He is the author of *Effective Interviewing* and *Using Psychometrics*. (both by Kogan Page)
