### **Mara Gonzalez-Aguilar, Marta Rosso-O'Laughlin : Atando cabos: Curso intermedio de espaol (4th Edition)**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Atando cabos: Curso intermedio de espaol (4th Edition):

Spanish Lab not included!!By sassymoWhen I decided to purchase this book, which was titled with "4th Edition MySpanishLab Series," I presumed that this book included access to myspanish lab. IT DOESN'T! I was really annoyed because my school charged \$160 for both, and I bought this on for around \$120, thinking it included both. Now, it looks as if the lab alone will cost an additional \$100! Buyer beware. This is false advertising in my opinion. I didn't see anywhere in the book description that the lab is sold separately. I am very disappointed with right now.2 of 2 people found the following review helpful. Incomplete packageBy Isaac MurrayDo you need the language lab? Then look elsewhere. This doesn't come with it. Consider renting this and buying the MySpanishLab code - it's probably the cheapest way to do it. Do you not need the language lab? Then go ahead and buy this one. It's the current edition as of fall 2013. Still two stars because my "new" copy

came with a damaged cover. 0 of 0 people found the following review helpful. Five Stars By Customer everything i wanted. arrived on time

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Understanding that students enter the Intermediate Spanish course at different levels, *Atando cabos* brings students to a common proficiency level and ties up the loose ends from their first year of Spanish. Focusing on the significance of culture and interpersonal communication in learning a foreign language, this text is comprised of high-interest, relevant themes that motivate critical thinking and classroom discussions. Concentrating on the development of basic skills listening, speaking, reading and writing, with an equal emphasis on fluency and accuracy this text teaches students to express, interpret, and negotiate meaning in context while learning to analyze, compare, contrast, and understand Hispanic cultures.
