Lar Hothem : Indian Artifacts of the Midwest before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Artifacts of the Midwest:

A continuation of the original work published in 1992, this book covers the artifact-rich regions of Kentucky, Ohio, Indiana, Iowa, and Missouri. More than simply a price guide, this book includes a comprehensive text with a description and history of each artifact. Over 1,200 photos help collectors identify their pieces. Also features a complete list of recommended resources.
