Mike Ellis : Italian Slangue: A Fun Visual Guide to Italian Terms and Phrases (English and Italian Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Italian Slangue: A Fun Visual Guide to Italian Terms and Phrases (English and Italian Edition):

2 of 2 people found the following review helpful. A neat idea By J. Hessel I am not particularly gifted when it comes to learning new languages. I took Spanish in high school and recently visited Italy...where I learned some words and phrases before I went, but it can be difficult remembering foreign words...and especially getting the pronunciations right! I found this guide to be a fun and interesting way to learn some basics. If you say the words/phrases exactly as pictured in English they may sound a little off, but if you look at the Italian versions in the book as well, you will better understand where the syllables are and the phrases will sound flawless. The only downside is that the books are not complete. By this I mean, they may include a phrase for 'thank you', but not for 'you're welcome'. I understand this is because they are using common English words for each Italian phrase so there may not be any English words for all phrases, but I wanted to at least include that as a potential con. All in all, I highly recommend this series of books if you want to try a new language out for fun, have trouble learning new languages or you don't have the time to study up before taking a trip. 0 of 0 people found the following review helpful. Five Stars By Jackie Robinson A+++++++ 0 of 0 people found the following review helpful. Great way to learn By Tricia Very easy and fun way to learn, I will reread this many times. Clear and easy read. Love it

Learn simple Italian faster than you can say arrivederci! With this fun visual guide, simply follow the illustrated prompts and read the English words out loud: soon you'll be speaking Italian! Ask how someone is doing: "Comb Mess Tie" or say breakfast: "Cole Lot See Owe Nay." The simple icons are easy to follow and this pocket-sized guide

is easy to carry with you. It will give you the basic phrases you need to get around while traveling, whether asking directions, ordering food at a restaurant, or shopping. But most of all, it's just plain fun! Mike Ellis is a web designer who runs the popular website www.slanguage.com. He lives with his family in Philadelphia.

From the Back Cover An easy new way to learn common phrases that lets you communicate in Italian with confidence!
