Rick Jolly : Jackspeak: A Guide to British Naval Slang and Usage before purchasing it in order to gage whether or not it would be worth my time, and all praised Jackspeak: A Guide to British Naval Slang and Usage:

2 of 2 people found the following review helpful. Jolly and Tugg deserve gulpers for this one! By Der Graf Absolutely sheer, total, and utterly utter delight for all who have served, serve, will or may serve in the Royal Navy, and for all with merely an interest in it's affairs going beyond knowing who Nelson was. Plus a significant contribution to the unique tradition of Jack and his inimitable ability to 'ave 'is tickler and see the bloody twelve roll on. Captain Jolly and Tugg bring back the days that seem to disappear slowly under the pressure of awkward modernity, fiscal cuts, and political correctness. For this book, CALL BOTH WATCHES OF HANDS! 2 of 2 people found the following review

helpful. An amusing and important work. By resqspc The armed services of every nation have their own slang and usage that grows up in separation of their parent societies. Often, it derives from historical usage and experience. Thus, we have Surgeon Captain Rick Jolly (RN, ret)'s attempt to provide a one-volume reference for the naval veteran, new sailor, buff, and the morbidly curious alike. Reprinted three times and updated once in 1999, the book serves as a collection of snapshots of all things British navy going back to at least the Second World War. Highly recommended as a standard reference. 0 of 0 people found the following review helpful. this English to English dictionary is wonderful. By Customer Hilariouly informative. this English to English dictionary is wonderful.

Know what it means to spin a dit? Or to be in a drop of roughers? This comprehensive guide to the humorous and colorful slang of the British Royal Navy explains it all in layman's terms. Compiled by a decorated ex-Royal Marine surgeon, it contains often-hilarious examples of common usage, useful cross-references, and comic illustrations by Tugg, the popular cartoonist from the service newspaper Navy News. Jackspeak is essential for anyone with an interest in the Royal Navy--or who just enjoys fun wordplay!

There aren't too many books, let alone in the nautical world, which generate a succession of chuckles. Open Jackspeak at any page and you're pretty much guaranteed to laugh. Navy News About the Author Rick Jolly is a former Royal Marine doctor. His first book told the story of the medical base at Ajax Bay in the Falkland Islands, which he commanded throughout the 1982 campaign. A legendary figure in the Navy, "Doc" Jolly remains the only serviceman to be decorated by both sides: he received an OBE from the Queen and the Oficial Orden de Mayo from the Argentine Government. Rick is also the founding chairman of the South Atlantic Medal Association for Falklands veterans.
