**Ron Krannich : Jobs for People Who Love to Travel: Opportunities at Home and Abroad (Jobs for Travel Lovers)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jobs for People Who Love to Travel: Opportunities at Home and Abroad (Jobs for Travel Lovers):

0 of 1 people found the following review helpful. Great for travelers By MargieGot this so I didn't have to keep

checking it out at the library!15 of 19 people found the following review helpful. More than a book about travel jobs  
By A Customer  
For the reviewers who feel this book doesn't go into enough depth for travel jobs you have missed the point and unfortunately your career(s) will suffer from this. The book talks about travel jobs and gives websites etc. But more importantly it will help open your eyes to approaching your job search from the standpoint of doing what 'you' want to do - not what an employer puts down in a 3 sentence job description. This book is actually one of the best 'career guides' I have seen. Do yourself a favor and read between the lines here.  
20 of 24 people found the following review helpful. Traditional Ideas  
By A Customer  
I waited a long time for this book - it was on back-order. And while it gave some good information about jobs I already knew existed, it didn't really give me any ideas for jobs I hadn't already considered. So, if you want a traditional job involving travel, or to work in the travel industry, buy this book for more details and contact information. Don't buy it if, like me, you're looking for new ideas on how to make a living on the road.

Have you ever dreamed of getting paid to visit exotic places and interact with other cultures? If you answered yes, this book may be for you! It identifies numerous jobs and careers that enable people to travel both at home and abroad.

What kinds of jobs allow employees to frequently travel long distances? This could have been reviewed under our 'business' shelf, but is mentioned here because any who relish travel will want to know about the jobs which make travel part of their routines. This isn't just a general guide: names, addresses and phone numbers of potential employers accompany job descriptions and requirements. -- Midwest Book About the Author  
Ronald L. Krannich, Ph.D. and Caryl Rae Krannich, Ph.D., are two of America's leading career and travel writers who have authored more than 40 books. They currently operate Development Concepts Inc., a training, consulting, and publishing firm. A former Peace Corps Volunteer and Fulbright Scholar, Ron received his Ph.D. in Political Science from Northern Illinois University. Caryl received her Ph.D. in Speech Communication from Penn State University.
