"As an experienced career professional, when Barbara asked me to review this book, I thought to myself two things: Show me something that I don't know, and is there anything in here that hasn't been said already? Happily, the answer is "yes" on both counts. Many of the tips on job search I have subscribed to for many years. I love the way Barbara puts them out. I can't wait to make the book required reading for all my clients. This is hardcore stuff not just fluff.
