From Brand: Record Research Inc. : Joel Whitburn Presents a Century of Pop Music: Year-By-Year Top 40 Rankings of the Songs Artists That Shaped a Century before purchasing it in order to gage whether or not it would be worth my time, and all praised Joel Whitburn Presents a Century of Pop Music: Year-By-Year Top 40 Rankings of the Songs Artists That Shaped a Century:

0 of 0 people found the following review helpful. Great source of information on popular music By John Conte As a writer, I am writing books on notable Italian and Italian Americans (including musicians and songwriters), I ordered

this book after having borrowed a copy from my local public library and finding it contained the information I was looking for. This is a great source of information on dates charted from 1900. I have a couple of Joel Whitburn books and find this one contains the information I was looking for. I find this book a great source and resource for anyone interested in popular music. 1 of 1 people found the following review helpful. Joel Whitburn By Robert This is a great book if you just love to know how many #1 records a certain artist had or to just see the change in how we listen to music and compare how long certain songs seem to stay around while others seem to vanish. Just another great book by Joel Whitburn and his staff. 1 of 1 people found the following review helpful. The Music that Shaped a Century By Patricia K. Ford This book is chock full of information about all of the songs that made the Top 40 List over the past 100 years. It has very interesting stories about the artists and how the songs came to be. It was a fun read and I highly recommend it. I read it from cover to cover when I first got it and have used it time and time again to look up information on an artist or a song. If you like music, you'll love this book!

(Book). Pop into the new millennium with 100 separate rankings of the Top 40 songs of every year from 1900 through 1999! Whatever your generation, A Century of Pop Hits holds the soundtrack of your life. This chronological tour through the prime of pop music's past takes you from ragtime to rap, from crooners to country, from big bands to RB, from the cylinder to the CD. Each of the 100 yearly rankings are based on America's weekly popular music charts and include chart data on every hit! All artists appearing within the yearly rankings are listed alphabetically in the artist section. The title section shows all 4,000 hits alphabetically with each title's peak position and peak year. Ten fascinating articles highlight the events, moods, and music trends of each decade. Sprinkled throughout the book are pictures of the top artists and rankings of each decade's top hits and top artists. A Century of Pop Hits is sure to spark hours of fun and great musical memories, and provide countless trivia challenges.
