**WetFeet : Killer Investment Banking Resumes! The WetFeet Insider Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Killer Investment Banking Resumes! The WetFeet Insider Guide:

4 of 5 people found the following review helpful. Real Examples are a plusBy A CustomerI'm finding the "real life" examples of resumes in this guide--the before and after versions of each--to be extremely useful in improving my resume. I've passed my updated version by a few friends who are in the I-banking industry and they've given me a thumbs up. It's much easier to show my cleaned up resume to my buddies rather than hand them something that they have to slog through and pick apart. Definitely a guide worth buying.0 of 0 people found the following review helpful. cheaper than a career counselorBy A CustomerThis guide is good for people new on the consulting scene who aren't quite sure how to structure or what to include on their resumes. I ended up going to a career counselor to get professional help on my resume and they pretty much told me everything I had already learned from this guide.3 of 4 people found the following review helpful. Effective Industry-Specific InformationBy A CustomerThis guide was really informative and easy to follow. It provided plenty of resume examples to go off of, and each example was

specifically geared towards I-banking. This was much more effective than trying to model your resume after examples that are totally unrelated to what you're going after.

You asked for it, and WetFeet has delivered! Killer I-Banking Resumes is a comprehensive resume guide aimed at helping you land an interview in investment banking. We'll teach you everything you need to know about how to write your resume and cover letter, who you should be thinking about approaching, and how to impress your recruiters.
