**Frank E. Hagan : Research Methods in Criminal Justice and Criminology (8th Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Research Methods in Criminal Justice and Criminology (8th Edition):

0 of 0 people found the following review helpful. Interesting material and arrived in good shape. By E Needed it for college. Interesting material and arrived in good shape. 0 of 0 people found the following review helpful. Excellent By King Kim I just finished this course in the Master's program I must say it was very informative and gave me a better understanding of the subject! 0 of 0 people found the following review helpful. Four Stars By April This book was a great price. It helped me in my Research class a lot.

A classic in its field, this best-selling book teaches general research methods using standard and contemporary

examples of criminal justice and criminology research. Featuring both qualitative and quantitative studies, the author helps students develop fundamental research skills and acquaints them with the literature of the field. This edition features updated tables, figures and examples and includes new information on prison research, Internet resources and visual criminology. Some of these examples include: Discussion of Zimbardos Lucifer effect

From the Back CoverDesigned for use as the primary book in undergraduate or graduate courses in Research Methods or as a supplemental book in Introductory Criminal Justice courses offered by departments of criminology and criminal justice. Classic in its field, this best-selling book teaches general research methods using standard and contemporary examples of both qualitative and quantitative research in criminal justice and criminology. For anyone interested in research methods and/or criminal justice.
