From Canadian Scholars Pr : Rethinking Normalcy: A Disability Studies Reader before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rethinking Normalcy: A Disability Studies Reader:

Rethinking Normalcy introduces the growing field of disability studies to an undergraduate audience in a variety of disciplines and programs based in the social sciences, humanities, and health sciences. The authors articulate the depth and breadth of this newly emerging field of study and provide a vibrant foretaste of the kind of work disability studies

scholars and activists do to provocatively question the power of normalcy.
