From Peter Taylor Gooby : Risk in Social Science before purchasing it in order to gauge whether or not it would be worth my time, and all praised Risk in Social Science:

This book is designed as an introduction to recent social science work on risk and is intended primarily for students in sociology, social psychology, and psychology, although it will also be useful for those studying political science, government, public policy, and economics. It is written by leading experts actively involved in research in the field.

About the Author Peter Taylor-Gooby is at Professor of Social Policy, University of Kent. Jens O. Zinn is at Research Fellow, University of Kent.
