**Stacey York : Roots and Wings, Revised Edition: Affirming Culture in Early Childhood Programs (NONE)**  
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Roots and Wings,  
Revised Edition: Affirming Culture in Early Childhood Programs (NONE):

0 of 0 people found the following review helpful. I really enjoyed this book By CAI really enjoyed this book. Offered good information being cultural inclusive in early childhood programs. Author provides good suggestions and recommends good books to read to children. 0 of 0 people found the following review helpful. Good book By NyxyI like it. Lots of information and perfect for the class I'm currently in for Early Childhood Education. It's a must-buy and in most EAR classes (at least at my school) you'll be using this book so once you buy it, it'll be well used. 0 of 0 people

found the following review helpful. Very useful  
By MayciiI loved this book so so much i was sad that i had to send it back. It was so useful and it made my class so much easier.

"Roots and Wings will open doors to beginners in cultural diversity education, and will enrich the more experienced readers. It is a grand tool for assisting early childhood educators to address the many-faceted and complex issues of cultural diversity and racial prejudice. . . . I recommend this book to any teacher, caregiver, or parent who wants to begin learning what it means to foster young children's respect for themselves and others." Louise Derman-Sparks, author, *AntiBias Curriculum*

"Roots and Wings will open doors to beginners in cultural diversity education, and will enrich the more experienced readers. It is a grand tool for assisting early childhood educators to address the many-faceted and complex issues of cultural diversity and racial prejudice....I recommend this book to any teacher, caregiver, or parent who wants to begin learning what it means to foster young children's respect for themselves and others." From the Back Cover *Roots and Wings* - The bestselling guide to anti-bias education for young children in a revised edition! Over a decade ago *Roots and Wings* was published as one of the first practical multicultural resources for early childhood teachers. This invaluable guide is now completely updated to respond to the tremendous changes in the field around cultural relevance and anti-bias issues since the first edition was published. *Roots and Wings* provides a thorough, clear, and practical introduction to multicultural and anti-bias issues in working with children and families in early childhood settings. Seamlessly blending theory and practice, this revised edition contains over 100 activities (many of them new or revised), practical examples, and staff training recommendations, as well as much of the information from the study guide *Developing Roots and Wings*. **NEW CHAPTERS INCLUDE THE FOLLOWING:** \*Bilingual education\*Culturally responsive teaching\*Children and prejudice *Roots and Wings* is an ideal resource for preschool teachers, early childhood programs at colleges and universities, and training workshops. About the Author Stacey York, M.A., is an instructor at St. Paul Technical College in St. Paul, Minnesota. She has worked with children and families in a variety of roles, including preschool teacher, child care center director and parent educator. As a private consultant and trainer, she provides training on a variety of subjects, including multicultural education. Ms. York is also the author of the immensely popular books, *Big as Life: The Everyday Inclusive Curriculum*.
