Laura L. Finley : School Violence: A Reference Handbook, 2nd Edition (Contemporary World Issues) before purchasing it in order to gage whether or not it would be worth my time, and all praised School Violence: A Reference

Handbook, 2nd Edition (Contemporary World Issues):

A timely investigation of the history, legislation, and perpetrators of school violence, this guide debunks the myths and misconceptions about this terrible problem of national concern. Addresses significant milestones in legislation and policies that have been enacted to respond to and prevent school violence Contains an informative timeline of key events in the history of school violence and prevention Highlights key court cases as well as data related to measuring violence Provides a compilation of best practices for the prevention of school violence Features perspectives from diverse viewpoints, including administrators, students, and academics

"This volume in the Contemporary World Issues series rightly identifies a need for information that defines the term according to the current (not necessarily conventional) wisdom. . . . This source will be helpful to program planners, writers and journalists, school officials, law enforcement units, and other groups and agencies that deal with violence among youth." - ARBA
About the Author
