Rod Ellis : Second Language Acquisition (Oxford Introduction to Language Study Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Second Language Acquisition (Oxford Introduction to Language Study Series):

2 of 2 people found the following review helpful. A great intro to sla and l2By Paul LarcombeAn excellent

introduction to theories on SLA and L2, well written and easy to read. a must read for students studying language education. 0 of 0 people found the following review helpful. It a great book written in a very accessible language for those ...By Cesar Pablo It a great book written in a very accessible language for those pursuing an MA or for those who want to a clear understanding of this topic. 0 of 0 people found the following review helpful. Five Stars By Joselyn Good product. Excellent condition.

This book outlines the study of how people learn a language other than their mother tongue. It is designed to make the essentials of this rapidly expanding field as accessible as possible.

... a powerful tool in opening the door, even to the novice, into this field. - Issues in Applied Linguistics I am impressed with both the aims of this book and the way the design sets out to achieve them. iSecond Language Acquisition/i will be useful for anyone curious to learn about the issues of this rapidly expanding and complex area. - IATEFL Newsletter About the Author Professor Henry Widdowson is Emeritus Professor of Education, University of London, and has also been Professor of Applied Linguistics at Essex University and Professor of English Linguistics at the University of Vienna. Rod Ellis is Professor in the Department of Applied Language Studies and Linguistics at the University of Auckland, New Zealand. He has worked in Zambia, the UK, Japan, and the US for extended periods. He has published a number of books on second language acquisition and teacher education. He has also published EFL/ESL textbooks.
