From Brand: Aventine Press : Section 8 Occupancy Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Section 8 Occupancy Handbook:

The purpose of this Handbook, first volume in a series, is to simplify Section 8 management by providing an Index in one place which indexes the relevant HUD regulations, forms, guidebook and administrative plans. This Handbook's Comprehensive Index, includes about 4500 entries, and over 100,000 references. The goal is to provide an inexpensive Handbook, which saves time for the busy Section 8 Administrator.
