Joan Ferrante : Seeing Sociology: An Introduction before purchasing it in order to gage whether or not it would be worth my time, and all praised Seeing Sociology: An Introduction:

0 of 0 people found the following review helpful. Required, but worth the readBy M. MacKinnonIt was required book for a college course I was taking, but it was worth reading. Written out in a way that any one entering college should be able to understand. It opens a lot of ideas into how we are raised and how that effects our outlook on the world. It had a good glossary at the end that was a serious help when trying to understand the concepts.0 of 0 people found the following review helpful. Everything was great, my school just made it into a bundle ...By Keesha GibsonEverything

was great, my school just made it into a bundle so I had to purchase it... alone with another book...0 of 0 people found the following review helpful. ... text book for school and was looking for the best deal out there on a used book to save ...By Marie IdzikowskiI needed a text book for school and was looking for the best deal out there on a used book to save a few bucks. This is perfect, meets my needs, no scratch off code needed and my instructor was fine with it.

Extremely reader friendly and practical, SEEING SOCIOLOGY: AN INTRODUCTION, 2e illustrates the relevance of sociology to daily life through the use of everyday images and photos. Engaging "SocScenes" allow you to visually apply sociological concepts as you learn about them. Reflecting the latest developments from the field, the Second Edition emphasizes such contemporary topics as tattoos and body piercings as expressions of identity; commercialization of childhood; human-animal relationships; and much more. Its unique format features brief, self-contained modules in each chapter that provide easy-to-manage content and synthesis of information. Available with InfoTrac Student Collections <http://goengage.com/infotrac>.

About the AuthorJoan Ferrante is a professor of sociology at Northern Kentucky University (NKU) as well as project director of the Campus Connect Student Philanthropy Project, which awards grants primarily to Kentucky and Ohio colleges and universities to support the integration of student philanthropy projects with academic coursework. In addition, Dr. Ferrante sponsors a Study Abroad Scholarship at NKU called "Beyond the Classroom." Open to any student who has used her introductory text (new or used), the scholarship annually awards funds to five students to support their studies outside the United States. Respected among instructors and students alike, Dr. Ferrante also is the author of SOCIOLOGY: A GLOBAL PERSPECTIVE, 9th Edition and co-editor of THE SOCIAL CONSTRUCTION OF RACE AND ETHNICITY IN THE UNITED STATES. She received her Ph.D. from the University of Cincinnati.
