Peggy Andrews Burns, Willard A. Burns : Senior Choices: Remarriage or Relationships: The Pleasures and Problems of Romantic Encounters Over Sixty

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Senior Choices:
Remarriage or Relationships: The Pleasures and Problems of Romantic Encounters Over Sixty:

7 of 8 people found the following review helpful. Some nuggets of wisdom can be found
By Customer You are not alone. That is one of the first messages of Senior Choices -- that many senior couples are addressing the same issues of whether to live together and, if so, the pros and cons of being married. There are other nuggets of wisdom in this book as well....for example, suggestions of things to think about, viewpoints of different kinds of relationships. However, to find this wisdom you have to be willing to suffer through a lot of repetition, an arrangement of subject matter that, to me, is disorganized and illogical, and many grammatical errors that will drive you nuts if you have any editing experience. But just take a deep breath and read on a little faster, and you will learn some satisfying stuff.

Author Burns discusses the various physical, emotional, legal and social circumstances involved in the relationships of older couples.
