**Carol Liheng : Serials Cataloging Handbook: An Illustrative Guide to the Use of Aacr2 and Lc Rule Interpretations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Serials Cataloging Handbook: An Illustrative Guide to the Use of Aacr2 and Lc Rule Interpretations:

This guide to serials cataloguing provides a problem-centred approach, illustrations of rule interpretation, and samples of coded records. It focuses on descriptive cataloguing and choice of access points.
