**Pamela Tyler : Silk Stockings Ballot Boxes: Women and Politics in New Orleans, 1920-1963** before purchasing it in order to gage whether or not it would be worth my time, and all praised Silk Stockings Ballot Boxes: Women and Politics in New Orleans, 1920-1963:

A narrative history of organised, politically active white women in 20th-century New Orleans. Viewing their involvement as a link between pre-1920s progressivism and 1960s feminism, this book tells how these upper- and middle-class women sought and exercised power at the state and local levels.
