Barbara Newman : Sister of Wisdom: St. Hildegard's Theology of the Feminine before purchasing it in order to gage whether or not it would be worth my time, and all praised Sister of Wisdom: St. Hildegard's Theology of the Feminine:

0 of 0 people found the following review helpful. St Hildegard the PolymathBy eaglecliffThis was the first I had heard of Hildegard ... as a brilliant woman of myriad talents, she was given as an example of a polymath ... good word. Will

use this for reference as I write a fiction which calls on *intelligence* from former lifetimes. I am so impressed with this woman, that I cannot be critical of the physical book or the quality of writing.... Read joy at this time.5 of 5 people found the following review helpful. Perfect...By OneWomanSpiritBarbara Newman is my go-to expert on all things Hildegard. You can trust that the various papers included in this book have been selected by a true expert in the subject.0 of 0 people found the following review helpful. Five StarsBy Kara PetersenGreat quality and prompt shipping

Barbara Newman reintroduces English-speaking readers to an extraordinary and gifted figure of the twelfth-century renaissance. Hildegard of Bingen (1098-1179) was mystic and writer, musician and preacher, abbess and scientist who used symbolic theology to explore the meaning of her gender within the divine scheme of things. With a new preface, bibliography, and discography, *Sister of Wisdom* is a landmark book in women's studies, and it will also be welcomed by readers in religion and history.

"At long last there has appeared an English-language book worthy of the person it studies. . . . Hildegard of Bingen was an exuberantly complex visualist and thinker; Dr. Newman's book is an excellent way of being introduced to Hildegard's sapiential visuals and thought."--"Adris Newsletter From the Inside Flap" This is simply the best book ever done on St. Hildegard in English a well-conceptualized work of remarkable erudition and vigorous style. Medievalists will love it, and it will generate debate in the field."Robert I. Burns, S. J.
