Nancy Hooyman, H. Asuman Kiyak : Social Gerontology with Research Navigator (7th Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Social Gerontology with Research Navigator (7th Edition):

0 of 0 people found the following review helpful. Informative book By TKI bought this book for a class I was taking. It does come in different editions (with the same cover) so be sure to check. This book reads like a textbook, so I did tire of that format. Lots of pertinent information for a senior who might not have any other resources. 0 of 0 people found the following review helpful. Contents Good, Quality of Product... Not so Much... By Robert N. The book has good information in it. The quality of the book is less than it should be for the cost of the book. The books bindings separate between signatures. I had to return my first book for various reasons including this. I replaced it by purchasing a new book, and it immediately started to have problems here. It seems to be an issue with the book. Hopeful with newer runs of the book this will be taken care of. 2 of 2 people found the following review helpful. The book was in very poor quality. The book is very worn out and ... By Customer The book was in very poor quality. The book is very worn out and could fall apart anyway. It is highlighted paragraphs all over the book and I was overall not happy about the

quality of the book in terms of appearance

This best-selling, multidisciplinary, social aging text presents positive images of aging while considering the many factors that contribute to how aging individuals experience life. Up-to-date and expanded, this text offers a comprehensive view that presents aging positively, portraying concepts of active aging and resiliency, and defining productive aging by elaborating on the numerous ways elders contribute to society and their families. Based on the latest research findings, it offers greater depth to critical issues of aging, attending to differences by age and cohort, gender, ethnic minority status, sexual orientation, and socio-economic status.
