Marion Bogo : Social Work Practice: Concepts, Processes, and Interviewing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Social Work Practice: Concepts, Processes, and Interviewing:

0 of 0 people found the following review helpful. typical textbook By kcrunnereasy to read and understand. For a textbook, that could mean a world of difference. I personally would have rather had a hard copy and use my kindle for just books I enjoy. I got the kindle version of this book. Its a little difficult and takes some getting used to, being able

to study and flip back and forth pages and quickly.

Social Work Practice synthesizes the latest theories and research findings in social work and related fields and demonstrates how this information is used in working with clients. Because the interview is the medium in which much of social work practice takes place, learning the processes and skills to conduct a productive interview is a critical part of social work education.

Valuable to students on placement and fieldwork educators because of its rich content, integrative nature and practice relevance. (Kieran O'Donoghue Social Work)...an intuitively satisfying, easy-to-understand practice model... (Arlene Montgomery Smith College Studies in Social Work)About the AuthorMarion Bogo is professor, Faculty of Social Work, University of Toronto. She is the coauthor of *The Practice of Field Instruction in Social Work: Theory and Process* and of numerous articles published in professional journals.
