**From Robert Adams : Social Work: Themes, Issues and Critical Debates** before purchasing it in order to gage whether or not it would be worth my time, and all praised Social Work: Themes, Issues and Critical Debates:

0 of 0 people found the following review helpful. Goes very detailed in chronological order through every important event ...By Petra VernerGoes very detailed in chronological order through every important event that lead to today's so-called social work profession. Very helpful for social work students!

Social Work: Themes, Issues and Critical Debates, one of the most respected and widely used textbooks in social

work, has now been completely revised and updated. With its accessible and clearly structured framework, the book offers expert discussion of the core topics in social work by top writers, teachers and practitioners in the field. It provides an essential grounding in the debates that shape the profession, as well as a clear insight into the issues at the heart of practice. What makes this highly regarded and bestselling book stand out from other texts?- Its range, authority and theoretical integrity- Its clear and effective structure, which reflects major shifts in teaching and makes it easy to use across modules- The importance it lays on practice-based learning and on developing core practice skills such as communication, assessment and intervention- Its value as a springboard to further reading (including extensive guidance on further print and electronic sources)- Its compact size perfect for readers who are travelling between campus and practice settings. This is one of three interrelated books edited by the internationally renowned and widely published team, Robert Adams, Lena Dominelli and Malcolm Payne. The companion books are *Critical Practice in Social Work* (second edition) and *Practising Social Work in a Complex World*. Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study.

*Social Work: Themes, Issues and Critical Debates*: 1st edition "...extremely good value for money; an essential for everyone's shelves." -- *British Journal of Social Work*  
*Social Work: Themes, Issues and Critical Debates*: 2nd edition "A comprehensive second edition of what has become our most popular text for social work students, some of whom refer to it as the social work bible." --Debbie Williams, North East Wales Institute of Higher Education, Wales
