**Karen Healy : Social Work Theories in Context: Creating Frameworks for Practice** before purchasing it in order to gage whether or not it would be worth my time, and all praised Social Work Theories in Context: Creating Frameworks for Practice:

This innovative text explores current social work theories and perspectives in a systematic way, using an integrated and flexible framework to link context, theory, and practice approaches. Its international breadth and supportive pedagogical features have ensured the book's value to students of social work all over the world.
