**Michael Hughes, Carolyn Kroehler : Sociology: The Core** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sociology: The Core:

0 of 0 people found the following review helpful. I'm not saying bad things did not happenBy HossHere is what I mainly got in this course. Take an overpriced college book, take a brief synopsis of a past history (not knowing the whole story), say that your book is about race and ethnic groups and then do not talk about one race "Whites" while only mentioning "Whites" as the ones who did all this harm to other ethnic groups. I'm not saying bad things did not happen, bad things are happening all the time.. but this book and Sociology in a whole is a hoax. Yet, enjoy the brainwashing so we can get that DEGREE. I am moving on to a trade, or skill.0 of 0 people found the following review helpful. Five StarsBy CustomerBetter than expected-great buy2 of 2 people found the following review helpful. A great book for a college classBy Matthew M NorrisThis book covers the fundamentals and outlines them at the end of each chapter and has sections that ask questions and makes the reader think. It isn't all boring text either,

there are a decent amount of pictures and graphs, some used quite effectively to demonstrate a point. Overall I felt it was non-bias and covered all sides of the topics and explored them in non-conventional ways. As an engineering student I surprised myself and really enjoyed this book.

Highly respected for its quality scholarship and its focused, straightforward approach, *Sociology: The Core* covers the core sociological concepts with a brief, accessible presentation and at a very affordable price. As in previous editions, the functionalist, conflict, and interactionist perspectives are applied throughout the book, allowing students to develop a solid understanding of the major sociological perspectives and their applications to the topics covered. Completely updated, *Sociology: The Core* makes sociology come alive as a vital and exciting field, relates principles to real-world circumstances, and attunes students to the dynamic processes of our rapidly changing contemporary society. .

**About the Author** Michael Hughes is Professor of Sociology at Virginia Polytechnic Institute and State University (Virginia Tech). He received his Ph.D. in sociology from Vanderbilt University in 1979 and has taught introductory sociology over the past 34 years. He also regularly teaches courses in minority group relations, deviant behavior, the sociology of mental illness, and data analysis. From 2000 to 2004, he served as editor of the *Journal of Health and Social Behavior*. He has held positions as research fellow at the University of Michigan's Institute for Social Research (1992-1994) and research associate at Vanderbilt University (1980-1982). With Walter R. Gove he is the author of the book, *Overcrowding in the Household*. His research interests in mental health and mental illness, race and ethnicity, and crowding and living alone have resulted in over 60 professional articles published in a variety of journals. In 2004-2005, he served as president of the Southern Sociological Society. . CAROLYN J. KROEHLER is a professional writer and editor who has received her sociological education on the job. Before her work on *Sociology: The Core*, she contributed to criminology and criminal justice textbooks. She edited and helped with the writing of a guide to academic success for college students, *Straight As: If I Can Do It, So Can You*. At the Virginia Water Resources Research Center, she wrote public education and technical materials about water quality and other environmental issues, including a book on drinking water standards. Her writing experience also includes several years in a college public relations office and writing and editing for the Lancaster Independent Press. She earned her Ph.D. in botany at Virginia Tech and has published in the *Canadian Journal of Botany*, *Plant and Soil*, and *Oecologia*. . Mike and Carrie live in Blacksburg, Virginia, with their children Edmund and Camilla..
