Anne Seagraves : Soiled Doves: Prostitution in the Early West (Women of the West) before purchasing it in order to gage whether or not it would be worth my time, and all praised Soiled Doves: Prostitution in the Early West (Women of the West):

0 of 0 people found the following review helpful. Read with caution and a critical mind!By Howard KingI have seen the conditions these 'soiled doves' had to endure and I can accurately say that there was no glamour to this business. These poor women were nothing more than slaves.0 of 0 people found the following review helpful. A learning

ExperienceBy missy henrikI keep noticing this book on the shelves of gift shops during a trip to Tombstone AZ, I saw it for sale in many stores and just did not buy it. So a couple weeks later I checked to see if had it and there it was, and cheaper by quite a bit. I do love reading about history and finding out the truth about the past and this book was very informative about the "Ladies of the Night" back in the late 1800's and early 1900's. In the western movies they glamourize the profession; it was a very sad and lonely life for most of the ladies and their only means of survival. Very good ready.1 of 1 people found the following review helpful. An interesting readBy HSFTI wanted to know more about this period of time for women. I had seen the book before, at a museum up in the gold country. Really an interesting read and I enjoyed the chapter on Donaldina Cameron who saved so many girls in San Francisco.

Soiled Doves tells the story of the grey world of prostitution and the women who participated in the oldest profession within the early West. Illustrated with rare photos. Bibliography; sources, included.
