following review helpful. bookie bookBy CharlesI only read the first part because it was needed for my African American History class... It was easy to read and If the rest of the book is like that, it is worth to buy. 5 stars.0 of 0 people found the following review helpful. College course book - 5 starsBy LisaThis book was needed for a college course. It arrived promptly and was just what I needed. I'm currently getting an A- in my course and wouldn't be able to without this book. Great service!

This collection of primary sources from Longman's Primary Sources in American History series presents a view of our nation's history as seen through the eyes of African Americans, and helps the reader relate to the experiences of ordinary people while offering a vivid snapshot of those lives in different historical periods.
