Gail McMillan, Leslie O'Brien, Philip Young : SPEC Kit 353: Funding Article Processing Charges before purchasing it in order to gauge whether or not it would be worth my time, and all praised SPEC Kit 353: Funding Article Processing Charges:

This SPEC Kit explores the strategies that ARL member institutions are using to address article processing charges (APCs) including how the funds are established and how they are handled (e.g., policies, applications, budgets, administration, outreach activities, etc.), sources of funding, and whether and under what circumstances libraries are partnering with other units (or other libraries) to fund this aspect of open access. This SPEC Kit includes examples of funding web pages, fund administration policies and procedures, promotional material, and job descriptions.
