**M. M. Bakhtin : Speech Genres and Other Late Essays (University of Texas Press Slavic Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Speech Genres and Other Late Essays (University of Texas Press Slavic Series):

Speech Genres and Other Late Essays presents six short works from Bakhtin's *Esthetics of Creative Discourse*, published in Moscow in 1979. This is the last of Bakhtin's extant manuscripts published in the Soviet Union. All but one of these essays (the one on the *Bildungsroman*) were written in Bakhtin's later years and thus they bear the stamp of a thinker who has accumulated a huge storehouse of factual material, to which he has devoted a lifetime of analysis, reflection, and reconsideration.
